Designed for the Australian lifestyle of easy living, the advanced manufacturing of **AquaPlank™ SureCore™** under high pressure offers 60% greater stability ensuring your floor maintains its integrity and won't lift, warp or shrink under the toughest conditions.

AquaPlank™ is easy to clean
Always wipe up standing water as soon as you can, however **AquaPlank™** is water resistant for up to 24 hrs. Unlike real timber, you can wet mop your **AquaPlank™** floor without worry and vacuum for dust.
